## ENAMELLED STREET SIGNS GO UP ON MAIN NORTH-SOUTH STREETS IN CITY

The "New Look" around town this week was due to installation of steel enamelled street signs on Mission, Hillside boulevard, Junipero Serra boulevard and School street. The white signs, with black letters, are mounted on galvanized steel poles and require practically no maintenance.

Seventy-five intersections are being covered in the initial installation. With the main north-south arterials covered, the next step will be to erect signs for the main east-west thoroughfares. Putting in a number of new signs each year, the city council expects to cover the city at nominal expense in a few years.

Ordered in March, 1948, delivery of the signs was delayed due to steel shortages at the sign manufacturing plant.

### When You Hit A Police Car You're In Trouble

It doesn't pay to irk the police.

Luke Robert Feeney, 724 Head street, San Francisco, found that out when he almost rammed his car into a Daly City police car. Not appreciating his "friendliness," the police picked him up on a drunken driving charge.

Bail was set by Judge William Sweeney at $125. The case will come up January 7.

## Minor Injuries In Auto Mishaps Here

Mrs. May Lee, 619 Bellevue avenue, and her 5-year-old daughter Judy received minor injuries last Saturday in an automobile accident on Evergreen avenue and Winchester street.

The car in which they were riding, driven by Lonnie Bryant, 269 Hillcrest drive, collided with that of Salvatore De Falco, 137 Alexander avenue.

Mrs. Lee and Judy were treated at the Junipero Serra hospital.

Two other accidents involving property damage only occurred in Daly City during the past week. One accident, occurring at Gambetta street and Hillside boulevard, involved the cars of Gunnar Fred Swanson, Post Office Box 1158, Carmel, and Robert Brooks Bodges, 716a Elizabeth street, San Francisco.

The other accident took place on Mission street, involving Francis Emmett McGovern, 5300 Mission street, San Francisco, Joseph Borg Jr., El Camino Sables, Colma, and Dong Loi, 922a Jackson sreet, San Francisco.

## Jefferson Opens P.A.L. Basketball

Led by two seniors who will graduate this month, the Jefferson high varsity basketball squad travels to San Mateo high school Friday night for their first game of the 1949 Peninsula Athletic League competition.

**Jack Dederman, six foot one inch guard who won all-P.A.L. honors last year and was the second highest scorer in the league, and Jim Silacci, one of the Indians best shots, will both graduate soon, and their loss will be felt heavily as the season progresses.**

The remainder of the varsity team, John Olcese, Ed Selsor and John Matzek, have no varsity experience but have won themselves places in the Indians' starting lineup.

After the San Mateo game, the Jefferson hoopsters stay on the road, meeting Sequoia and Half Moon Bay, until February 1, when they entertain Palo Alto on the home court.

The Jeff 130's play the same schedule as the varsity and will play the preliminary game Friday night at San Mateo. Starting lineup, as announced by Coach Joe McGrath, will have Dave Belli, Leo Lemon, Les Nicolini, Louis St. Pierre and John Spinetti on the court.

The 130-pound team is relatively green and inexperienced, but shows a lot of promise. Composed of juniors and sophomores, the lightweights are expected to develop material for next year's varsity.

## Daly City Pioneer Dies of Pneumonia

Pneumonia claimed the life of Martin Christen, 30-year resident of Daly City last Saturday. Christen, who lived at 120 Irvington street, was the secretary of the A.F.L. Brewery Drivers' Union, Local 888. He was 49 years old.

Funeral services were held Tuesday by the United Undertakers. A requiem mass was held at Our Lady of Perpetual Help Church, with interment at Holy Cross Cemetery.

He leaves a widow, Louise, a son, Robert; a mother, Mrs. Celestine Christen; two brothers, Otto and Rudolph, and a sister, Mrs. Freda Winant.

## Dederman Brothers Star As Vikings Win Ninth Game

Chalking up their ninth consecutive victory in as many starts this season, Coach Bob Seiler's Viking basketball quintet whipped the Hotel Roosevelt team, 48 to 33, at James Lick gymnasium in the first game of the S.F. Unlimited Basketball tournament. It was the 21st straight victory for a Seiler-coached team in two seasons.

The Vikings' Tex Willaford was the outstanding player on the floor, tallying 22 points for the evening. Jack Byrne, ace rebound man, scored seven points for the winners.

**Two Daly City players, Jack and Harry Dederman, each accounted for six points. Jack and Harry are the "Mr. In" and "Mr. Out" of the Viking squad, Jack scoring from his forward position while Harry works from center.**

John Rerecich, another Daly City player, showed development as a smooth-working floor man.

The Vikings make their first local appearance here on Monday night, January 17, when they meet the Colma Boys' Club at the Jefferson high school gym.

The Viking roster includes the following:

**Tex Willaford, 6'3"; Jack Byrne, 6'3"; Harry Dederman, 6'6"; Jack Dederman, 6'1"; Harold Gustafson, 6'2"; John Rerecich, 6'3"; Bob Roney, 5'8", and Dave Del Chiaro, 5'8".**

### Civil Service Tests To Be Given Saturday

Thirteen women applicants for the position of clerk-cashier in the municipal water department collection office will take a written civil service examination at Jefferson Union High School Saturday morning. The examination for the job, with a salary range of $170 to $200 per month, will commence at 9 a.m.

Also on Saturday, at 1:30 p.m., written tests will be taken by five male applicants for the position of chief clerk in the same office.

The examinations are prepared by the State Personnel Board and conducted by a state-approved monitor.

## Basketball Babes Coming To Town

**The Famous Red-heads, girls basketball team, which is barnstorming the country, meeting men's teams and playing the game under men's rules. Coached by C. M. Olson, formerly with "Olson's Terrible Swedes," the casaba cuties meet the Jefferson high school men's faculty team at the Indian gymnasium here on Friday night, January 28.**

**Left to right, Tony MaGee, 6'2", Bonnie Buell, 5'11", Myrtle Wallace, 5'10", Mary Martin, 5'10", Evelyn Flener, 5'9", Johnnye Farley, 5'9" and Red Mason, 5'8".**

## FAMOUS REDHEADS, GIRL BASKETBALL TEAM, PLAYS HERE ON JANUARY 28

A basketball show which no one will want to miss will be presented at the Jefferson high gymnasium on Friday night, January 28, when the "Famous Redheads," barnstorming girls' basketball team, makes its only 1949 appearance here, against the men's faculty team of the high school. Admission will be $1 for adults, 50 cents for students. Since the local gym will accommodate only 1,500 persons, a sell-out is expected.

**The Redheads, ranging in size from 6 feet two inches to five feet eight inches, play basketball with a five-man team, according to the rules of men's basketball. In 1948 they played 202 games throughout the nation — all against male teams — and won 125 of them.**

Managed by Connie Mack Olson, originator of the well-known "Olson's Terrible Swedes," who barnstormed to the delight of hardwood addicts for many years, the "Famous Redheads" put on a show that has made them one of the best sports attractions in the country.

The Daly City appearance will be the only local engagement for the Redheads. They play once, later in the season, at Redwood City, but have scheduled no San Francisco contests.

The curvaceous casaba artists give no quarter to their male opponents, and ask none. They will be favored to win from the faculty quintet.

**The amazons build their attack around six-foot-two-inch Tony MaGee, the Big Bertha of basketball. Other stars, who look as though they may have stepped down from a Billy Rose chorus, are Bonnie Buell, 5 feet 11 inches, Myrtle Wallace and Mary Martin, both 5 foot 10. Evelyn Flener and Johnnye Farley, both 5 foot nine, and "little" Red Mason, five foot eight, complete the squad.**

**The basketball exponents of "women's rights" will face a faculty squad consisting of the following:**

**Joe McGrath, Glenn South, Clarence Lair, Mike Orlich, Johnny Mongon, Elman Rose, Howard Miguel and Vic Binsacca.**

Proceeds from the game will go to the high school athletic fund for the purchase of new equipment for the school's athletic department.

Advance tickets will go on sale soon.

### Young Burglar Admits Entering Five Homes

A 15 year old boy, formerly a Daly City resident, was turned over to county juvenile authorities by local police after he confessed breaking into five Daly City homes within the space of a few hours on Sunday and stealing money and jewelry.

Ransacked homes included those of Emilio Firpo, 4 West Cavour street, William D. Malloy, 156 East Vista avenue, Alex Nevolin, 121 Hillside boulevard, Domenic Galletta, 318 Willits street, and John Schwaninger, 439 Woodrow street.

Police Sergeant Roland Petrocchi, who tracked down the thefts, said practically all of the cash and property stolen had been recovered.

### SHRINE GAME IS LAST APPEARANCE FOR BAND SANS NEW UNIFORMS

It was a wet day on New Year's, but the Daly City band, led by veteran George Brenner, was on hand to take part in the pageantry at the annual East-West Shrine football game at Kezar stadium. This was the 22nd year of participation for the local tooters.

**The New Year's Day program also marked the last public appearance of the band, according to Brenner, until new uniforms can be obtained.**

However, the Daly City Merchants Association has volunteered to make a donation towards the purchase of uniforms, and the city council has also indicated willingness to help refurbish the organization. This year will see a number of parades, festivals and pageants for the '49 California Centennial, and the band has many requests to appear throughout the State.

Brenner and the band have won state-wide recognition representing Daly City in celebrations up and down the coast.

**The band leader urged civic clubs and organizations to get behind the band and make plans to represent the city with floats and marching units, long with the muscians, during the 1949 Centennial activities.**

## Xmas Seal Money Below Quota Mark

An outside chance that San Mateo county will still avert its first failure to make the quota in the annual sale of Tuberculosis Christmas seals was held out today by Bradford M. Melvin, chairman of the special seal sale committee for the county Tuberculosis and Health Association.

Melvin said that remittances arriving late may yet reach a sufficient amount to cover the $42,500 quota.

**"Our last chance to get over the top hinges on the delayed payments for Christmas seals that are still tardily arriving at association headquarters," Melvin declared.**

"It is our most earnest hope that the small number of checks still arriving will be added to by the literally thousands of persons who have overlooked or forgotten to make payments for their allotments of seals."

### BB Gun Proves To Be Dangerous Weapon

BB guns can be dangerous — so 14-year-old Norman Cody of 741 Niantic avenue found out this week.

The gun accidentally went off in Norman's hand while he was loading it and he ended up with the BB shot in the tip of his index finger instead of the muzzle of his gun.

The boy was treated at the Junipero Serra hospital.

### WATER BILLS ARE LATE THIS MONTH

If your water bill is late this month, don't get excited — it will be along fairly soon.

Changeover in personnel of the water department collection office, plus intervening holidays and increases in the number of services, have delayed the billing function.

However, the department expects to catch up with itself soon and your water bill will be mailed as soon as is humanly possible.

## Scherbarth Heirs File Damage Suit

Heirs of Donald W. Scherbarth have filed a $15,796 suit against William Passaglia, 799 Hillside boulevard for the alleged "unlawful death of Scherbarth.

Scherbarth, who formerly resided at 50 Garwood avenue, was injured by the vehicle of Passaglia while the former was crossing Mission street near Alp street, according to Passaglia's attorney, Thomas L. Bocci. The injured man died two days later but Passaglia was not held by police.

Filing the suit in U.S. District Court are Mrs. Herschel Thompson, Swen A. Kerttula and Mrs. Tina Backstrom.

### NEW HANCOCK SUPER SERVICE STATION SOON

Joe Lewkowitz' new Hancock super-service station at San Jose avenue and Bepler street will be ready for its grand opening in a few weeks.

With paving completed and four pumps installed, workmen are putting on final touches to put the establishment in working order.

Watch for opening day advertisement in this newspaper.

### OCEAN VIEW SERMON

"Fighting Fear" will be the topic for the sermon this Sunday at the Ocean View Congregational-Community church according to Reverend J. H. Bennett, pastor.

The morning worship service will be held as usual at 11 a.m. with Sunday school at 9:45 a.m.

## WELCOME TO DALY CITY

**New Families moving into Daly City recently include:**

William D. Richardson, 32 Alexander avenue.

Harold E. Ames, 768 Templeton avenue.

Ernest Molinari, 20 Bismark street.

John H. Partridge, 254 Vista Grande avenue.

Mrs. L. Verville, 6556 Mission street.

H. P. Harlow, 428 San Diego street.

D. J. McMills, 357 Vista Grande avenue.

Charles King, 369 San Mateo avenue.

Salvatore Daniels, 18 Bismark street.

### MONDAY'S BIG WIND DAMAGES FIRE ALARM

Heavy winds which rocked the bay area Monday night caused little damage in Daly City, with the exception of the fire alarm system.

The strong blasts fouled several transmission lines throughout the system and city employees worked nearly all night Monday and most of the day Tuesday to put the system in working order.

## Prowlers Still At Work In Daly City

Additional proof that prowlers are operating in this vicinity was given by Allen Brush, 211 Hillcrest drive, who reported finding a box containing personal papers, plus a revolver, in his back yard New Year's Day. Identity of the gun's owner was still a mystery, but the papers had been taken from Brush's home.

Later, on checking his premises, Brush reported a camera and a variety of tools missing. Police are investigating the incident.

## Crocker P.T.A. Will View Film 'Criminal Is Born'

Members of the Crocker P.T.A. will see the film "A Criminal Is Born" at their next meeting scheduled for 1:30 p.m. next Tuesday at the General Pershing school. The meeting place has been changed from the Crocker school to the Pershing school because of the crowded conditions at the former.

The executive board of the group will meet at 8 p.m. tonight, Thursday, in the home of the president, Mrs. James Jordan, 576 Bellevue avenue.

Members of the P.T.A. were entertained at a Christmas party at her home in Belmont Wednesday, December 22. Gifts were exchanged. Students at the Crocker school were also given their annual Christmas party December 17. A committee, consisting of Mrs. Mildred Seiler, Mrs. Ilda Blackburn and Mrs. Effie Jordan, served candy, ice cream and cookies to the pupils.

## TRAFFIC COURT

Only 17 motorists paid fines at the Daly City Municipal Court last week. Among them were eight persons paying fines for going through traffic signals.

They were John Beale Jr., $2.50; Dustin Fuller, $2.50; Dorothy Goodrich, $2.50; Reginal Hartje, $2.50; Anna Lubbe, $2.50; Achille Masci, $2.50; Kenneth Van Bergen, $2.50.

Among the seven persons fined for speeding were Malcolm Alston, $7.50; Elmer Clatt, $5; John Quirk, $15; Frederich Rodenbaugh, $7.50; Garry Stanly, $5; Lloyd Thompson, $5; Harry Wolfe, $7.50.

Thetley Matthews was fined $2.50 for driving with an expired driver's license. Atlee Deltz was fined $2.50 and Laverne Tarkelson was fined $5 for improper parking.

## March Of Dimes Aids Polio Victims

When record polio epidemics hit the nation last summer, urgent appeals for physical therapists and nurses for emergency duty poured into the National Foundation for Infantile Paralysis from a score of states, T. J. Hallinan, 1949 March of Dimes chairman of San Mateo county, revealed today.

"Despite the acute shortage of these professional persons, the need was met," Hallinan said, "although the National Foundation and its chapters were hard-pressed to supply the demand due to the extremely high case-load of patients."

**"Salaries, maintenance and transportation of all physical therapists and nurses, who served polio patients last summer were paid for by March of Dimes funds.**

"Until research finds a preventative or cure of polio, treatment is all imperative. We must have at hand sufficient money to meet the costs of patient care. It is only through the March of Dimes that this work can be financed. I urge everyone in our county to give at least 50 per cent more to the 1949 March of Dimes. Then when polio trikes, we will be able to meet the bills.

### BUM CHECKS STILL MAKING THE ROUNDS

Another fictitious check written against the Soule Steel Co. was brought to light this week.

This time it was for $77.40, signed by "J. W. Casey" and cashed at Kirchhubel's.

Several other business houses have had similar experiences with forged payroll checks on the Soule Company. Police warned merchants to be on the lookout for others.

## SEMI-ANNUAL SCHOOL PROMOTION SYSTEM MAY BE ABANDONED HERE

The possibility that the semi-annual promotion system (or double promotion system) now used in the Jefferson school district will be eliminated next year, was brought before members of the General Pershing P.T.A. by James Snell, superintendent of the Jefferson Elementary school, at their meeting Tuesday.

**"Most schools do not have double promotion system," Snell said. "There are none in San Mateo county that I know of and San Francisco is about the only city in northwestern California that has this system." Snell said that for this reason, students transferring from Daly City to other districts would be penalized.**

Other disadvantages of the semi-annual promotion system are that it requires twice as many adjustments for pupils and that it involves increased clerical work for teachers.

In addition, Snell pointed out, most mid-term high school classes don't generally have the same spirit other classes do. He also said that, under the new system, all pupils would have a whole year in kindergarten.

Disadvantages of the new system were also presented. Pupils who are retarded are set back an entire year and pupils who skip grades miss a whole year's work.

Snell plans to present the plan before the various P.T.A.s in the district, and if they are favorable to the change, have them poll the parents in their community for their opinions.

If the change is made, the new system will be inaugurated in the fall of this year. Each division of the grades would move up to the next level. For example, pupils in both the H1 and the L1 would move to the second grade at the beginning of the 1949 fall semester.

### TWO CAR THEFTS REPORTED THIS WEEK

Jerral Hugh Bond, 1223 Nimitz drive, Colma, was released on $500 bail after admitting stealing a car belonging to R. Fessenden, 571 San Diego avenue this week. Bond will appear before Judge William Sweeney a cour Friday.

Another car, that of Charles R. Fredricks of 341 Lowell street, was stolen Tuesday in Daly City. The car, a two-door green sedan, was taken some time between 7:30 a.m. and 5:30 p.m., according to Fredricks.

## DAVE CAFFERATA HEADS EMPLOYEES

Dave Cafferata, popular street department employee, took over the reins from Police Officer Jim Welsh as president of the Daly City Employees' Association at a meeting Tuesday.

Elected with Cafferata were Joe Intaschi, city mechanic, as vice-president, librarian Marcie Trier, secretary, and Mrs. Evelyn Mossman of the city clerk's office, treasurer.

Cafferata, active in fire department and Eagles' affairs, was busy lining up committees this week to start off his term of office.

The Employees' Association is composed of municipal employees.

## First 1949 Council Meet Monday Night

The second payment of $6,500, due the Stonecrest Corporation for installation of water mains in the Edgewood Terrace tract, will be passed at the first 1949 meeting of the city council Monday night at the city hall.

Total cost of the Edgewood project was $19,500, with the sum being repaid on a three-year basis.

Other matters expected to come up will include the selection of a poundman to replace Andrew Conaty, who has submitted his resignation from the post. The dog catcher will be appointed from a civil service elegibility list.

The council will also consider a request for classification of a building inspection department, and a general review of budget requirements for the remainder of the fiscal year, which ends in June.

Plans and appraisal of property for extension of Brunswick street through the Hillside quarry to connect with Hillside boulevard is also on the agenda.

## Doris Vernengo Frank Rehe, Jr. To Wed Saturday

The traditional blue garter, worn previously by four of her girl friends at their weddings, was presented to Miss Doris Vernengo at a surprise lingerie shower given for her Wednesday evening.

Mrs. Richard Little was hostess at the shower held in the home of Mrs. A. McDonnell, 362 Willits street. Delicious buffet refreshments were served from a gaily decorated table centered with cake and candles.

**Attending were Mesdames John Bodmer, A. McDonnell, Thelma Little, Jerry Galindo, Charles Vernengo, Ralph Capps, George Perada, Ray Calderon, M. Heggum, Albert Rehe, Frank Rehe Sr., Richard Little and Misses Corrine Cuneo, Marilyn Mosman and Doris Vernengo, the honoree.**

Miss Vernengo, daughter of Mr. and Mrs. Charles Vernengo, 398 Bellevue avenue, Daly City, will become the bride of Frank Rehe Jr. at 7 p.m. Saturday in Our Lady of Perpetual Help Church.

## Lions Learn All About Natural Gas

R. J. Callahan of the Pacific Gas and Electric Co. was introduced by Ernie Rutter at the weekly Lions Club luncheon Wednesday, to present a film, "Gas, Miracle Fuel," before the group.

Other "gas" was evident with stories in dialect by Grant Williams and Gil Shaughnessy.

The Lions, composed of local business men, meet each Wednesday at Estrada's, on El Camino Real just south of the city limits.

### New Year's Eve Tough On Coats In Tavern

A blue fox fur coat belonging to Mrs. Helen Jaymes, 1106 Valencia street, was stolen December 31 from a local tavern.

Also reported stolen from the tavern was a purse belonging to Miss Gertrude Iacona, also of the Valencia address and a light tan topcoat belonging to Carl Wiatrowski, 809 Ashbury street.

### RAY WILLIAMS MAKES W.O. AT JAPAN BASE

Warrant Officer Junior Grade Ray V. Williams, son of Mrs. Louise V. Williams, 255 Knowles avenue, Daly City has been appointed to the permanent grade of warrant officer junior grade, according to an announcement made recently by Colonel Walter C. White.

White is the commanding officer of Nagoya Air Force Base, Nagoya, Japan, where Williams is stationed with the Fifth Air Force.

### COPS GET SHOOTING PRACTICE THIS MONTH

Members of the Daly City police force will hold target practice at the San Francisco police range some time during the month of January, according to Police Chief W. W. Sunderland.

Police officers will go through a refresher course which is part of the regular training routine set up some time ago. The force recently completed a course in Yawara instruction.

## RUHR SETTLEMENT

Although the compromise settlement on the control of the rich Ruhr industrial area is being roundly condemned by the Germans, it is probably one of the best agreements that could be reached in the face of the conflicting views of the Allies.

German opposition is understandable. It appeared a while back that they were going to regain management of the Ruhr and that the Allies would simply regulate the allocation of its output. The French violently objected to this, charging that it would enable the Germans eventually to get full control of the output and use it once again for war purposes.

Technically, that charge wasn't valid. But actually there was a great deal to it. Experience has shown that the granting of one concession—in this case operating control—would make it harder to resist later German insistence on complete control.

The Germans are saying that this agreement "damages their confidence in democracy and in the Western victors." Well, better it is to have that confidence damaged than to run the incalculable risk of letting the Germans — most of whom are still thoroughly in accord with Nazism — get control of their vast war potential once again.

The most important thing for the six nations governing the Ruhr is to work together in harmony and not let the Germans play one against the other. Cooperation among them should insure increasing production for peace — without increasing the danger of war.

## ATOMIC SHIP

Maybe the atomic age is moving along somewhat faster than most of us realize. The report from Chicago about the plans to build the first atomic engine for a battleship is a most notable development.

Experts say it will take from two to six years to design and build such an engine. The important point is, however, that both the Navy and the scientists are apparently convinced that enough progress has been made in atomic research to produce it.

The possibilities of the atomic "boiler" stagger the imagination. Scientists say, for example, that a single pound of uranium, if fully utilized and properly controlled will produce as much power as 200 million gallons of gasoline or three billion tons of coal.

It's not hard to believe that the construction of an atomic engine will revolutionize seagoing transportation and will alter sea tactics and strategy far more than when the steel-hulled ships replaced the sailing vessels.

Science is on the march and the tempo is swift.

## KREMLIN RIFT?

There's quite a guessing game going on about that comment of President Truman's in Kansas City last week when he said that there are certain Russian leaders who are "exceedingly anxious to have an understanding with us." Washington circles are wondering if Mr. Truman has some inside facts on the Moscow situation which no one else seems to have.

Reliable reports from the Potomac say that not even our State Department has any solid information on how the Politburo works or whether there are any schisms in it. A rift between Stalin and some of the so-called "revolution-now" group of younger leaders is rumored to have reached serious proportions. But, again, this seems to be largely conjecture.

Some observers believe that the President may have been trying a bit of the Soviet propaganda technique as part of the cold war. They point out that if a serious division does exist in the Politburo, Mr. Truman's comment may increase the suspicions of each group against the other and thus make unified action against non-Communist world less likely.

## 1949 AUTO LICENSES

Although there is ample time to obtain your 1949 auto license it would be well to get it right away. The February 4 deadline will be here before you know it, and if you miss you'll have to pay a fine. In getting it now you'll also avoid the last minute rush.

All you have to do is go to the nearest office of the Motor Vehicles Department with the new registration card sent you in the mail. Be sure the duplicate slip does not get detached. The amount to be paid is indicated under "Total Fees." If you pay by personal check have it certified. Under the present registration system you get your "white slip" immediately.

This year you will again keep your license plates and will be given new tabs to clamp on. Get your tabs today. It will be easier on you and on the staff of the Motor Vehicles Department.

### 4,000 Bills Expected At Legislative Meet

The yawning maw of the legislative hopper opened this week at Sacramento to receive its biennial feeding of proposed laws, good and bad.

Probably more than 4,000 bills will go into the hopper at the 1949 session, if past totals are any criterion. Since such a number is beyond the ability of any group to sift, weigh carefully, and dispose of wisely in the time allotted, it is some consolation to know that only a small percentage will be enacted into law. The rest will die in committee or on the calendar.

The legislators and the people can be thankful for one thing—the legislature will not be operating under the reapportionment plan which was defeated by a wide margin in November. The legislators will not be happy about another slight matter — rejection of the proposed increase in legislative salaries by the people at the same November election.

Add it all up — it's still democracy at work.

## HOSPITAL TRAINING AVAILABLE IN NAVY

Hospital training in the Navy is still open for young men who desire that type of work, according to the Navy recruiting station at the Redwood City courthouse.

The hospital course is one of the many Navy trade schools for which recruits may apply.

Specialized fields, such as drug preparation, dental technology, X-ray and operating technique, are available to Navy corpsmen after completion of basic courses.

## GRANDY, BELLI LEAD BOWLERS TO VICTORY

A red-hot Lions Club bowling quintet set some sort of a record last week at the South San Francisco alleys when they dumped the league-leading Thur Meat bowlers three games straight and set new records both for team and individual scores. The Thur defeat put Daly City's Eagle bowling team in first place.

Newcomer John Grandy sparked the Lions Club keglers to the unexpected victory. Others on the team were Elio Fontana, Tom Laramie, Mike Callan and Joe Belli. Belli had high game with a 208 score.

## Attendance Contest Gets Under Way At Grace Nazarene Church

After several weeks of a full schedule of parties, programs, carol singing to shut-ins and special services, the Grace Church of the Nazarene, 101 Vista Grande avenue closed the year by a watch night service held in the church recreation hall on New Year's Eve.

The service was well attended by young and old from Daly City, Broadmoor and Colma. Part of the evening was spent in games and fun with the young people meeting at 7 p.m. Later refreshments were served and group singing was enjoyed around the fireplace. A special song entitled "I'd Rather Have Jesus" was rendered by Reverend D. C. McKisson.

Special speaker for the evening was Reverend Redman, former chaplain of the United States Army, who is now serving as a Methodist pastor in Louisiana. Reverend Redman closed his message by stressing three points of importance: love of Christ, patience and tolerance.

Reverend McKisson, present pastor of the Nazarene Church closed the service with a short message, "Pressing on," using as his text Philippians 3:14.

On January 16, the Nazarene Sunday school will enter into an attendance contest with the Palo Alto Nazarene Sunday school. The contest will last seven weeks, ending the last Sunday of February. The highest overall attendance will be the deciding factor in the contest, with the losing side having to furnish a full course dinner to the officers and teachers of the winning side. The Daly City church has announced that it is out to win. If you are one of the many that do not attend Sunday school you will find a warm welcome awaiting you at the Nazarene Church at 9:45 a.m. on Sunday mornings. There are classes for all ages.

## SPORTSWOMEN'S CLUB TO MEET WEDNESDAY

The Daly City Sportswomen's Club will meet at 8 p.m. January 12 at the home of their president, Mrs. Frances Nenstiel, 209a Irvington avenue.

Plans for a whist, scheduled for January 28 at the Masonic Temple, will be made. Mrs. Lillian Miller is chairman of the whist.

## Which Candy Depends on What Movie

WE have set certain fashions in candy, according to the candy sellers in movie houses. They can tell what we will ask for as soon as they know the type of picture that is billed—and they make sure they have what we want on hand!

For a musical picture concessions lay in extra quantities of peppermint flavors and butterscotch wafers, because experience has proved these are the "fashion" for this particular type of show and there will be a big demand for them.

People can't be bothered unwrapping candy during a horror picture, or a thriller-diller, so the specialty is soft-centered, unwrapped candies for such shows. For some reason, "chewy" candies are not fashionable for these shows, either.

Those action-packed westerns, with the younger group predominating, call for an extra supply of any and all king-sized candy bars and plenty of popcorn!

Figures for 1947 show an average overall consumption of 18.2 pounds of candy per person, which certainly puts sweets into the Big Business bracket and makes any information on what people want of vital importance to the manufacturers.

A curious fact brought out by these figures is the fluctuation in consumption in the various states.

People in Utah eat the largest quantity of candy. Their average for the year was 34.2 pounds per person. Statisticians put this down to the fact that Mormons do not use coffee, tea, liquor, or tobacco, and so make up the lack of refreshments in these lines with added pounds of candy.

At the other end of the list are the people of the South, with only 9.5 pounds per person due, according to the experts, to their consumption of such large quantities of soft drinks.

Although concessionaires do not give out the figures on their candy business they admit we consume a large amount of candy in theaters, and that the type of pictures we see has a direct bearing on the kind of candy we will eat.

## It's an Idea

THERE'S no lovelier sight than winter birds, squirrels and chipmunks helping themselves at their own Christmas Tree cafeteria. Early in December, or sooner, choose a thick evergreen that's well in sight of a window, and hang it with colorful waterproof decorations, bunches of raisins, bread crusts, and strings of popcorn, cereal and nuts. With occasional restocking, your bird sanctuary can last all winter.

• • •

**Once there was a youngster whose favorite aunt came visiting. At night the guest noticed a delicious odor in her bedroom. Reaching under a pillow, she found a bag of sachet.**

## Empty Spool Shade Pulls

ASK Mother to give you all the empty spools she has and see what fun you can have making gifts, such as colorful window-shade pulls for your home.

For the shade pulls, you will need a good-sized spool, some colored cord or string, crayons, and an odd button. Color the spool with crayon. You can make it one color or make the center part one shade and the top and bottom another.

Now, tie the button to one end of your cord, then run the other end through the spool and fasten this end through the small hole in the bottom of the shade.

You might make another type for the kitchen with three small darning cotton spools. Cover these with scraps of brightly colored paper. Illustrations cut from old magazine pictures and glued to the spools are good for covering them. Make a big knot in a piece of colored cord, or tie a wooden bead on one end of it, then thread a spool on it. Do this for all three spools. Now braid the three cords together, put this through the hole in the bottom of the shade, and fasten the ends so the braid won't come undone.

You can also use this idea in making pulls for overhead lights and if you use your imagination something of this type could be used for Christmas tree ornaments.

# HI-LITES AT C.C.S.F

By Frank Galo

Today is the deadline for filing petitions for the spring semester offices. A candidate must be a registered student of the college, an Associated Student member, and must also declare his intention to run for one office specifically. He must also have maintained a "C" average during the semester.

As usual, the election will present another battle between the Student's League (backed by fraternities and sororities) and the Independents. The Student League candidates reign as favorites as they have more votes than the Independents. Only a large turnout by non-party members could swing the elections to the Independent side.

Most of the students in college back the Independents but they always fail to register for the student elections.

**MARDI GRAS**

Next Friday the colorful Mardi festival takes place. Construction of permanent booths for the semester's top dance will be completed this week.

A total of 30 petitions have been accepted for the affair. These include a puppet show, a turtle race game, and a French pastry booth by the Hotel and Restaurant Division.

The masked extravaganza will be free to Associated Student card holders.

**BASKETBALL**

Ralph Hillsman's high - flying cagers were favored to cop the Modesto Invitational Basketball Tournament. The Modesto games got underway Wednesday.

The Rams recently captured the Junior College Cow Palace tourney by defeating Marin JC (last year's National champs), 54-39, and trampling Menlo JC in the finals, 57-32. Don Payne, subbing for his injured twin brother, Bob Payne, was awarded a trophy for being the best defensive player of the tournament. It isn't every day that a second stringer wins a trophy.

The Rams starting five consists of Bob Metheny and the team's leading scorer, Doug Truelson, at forwards; Kev Duggan at center; and Captain Jim Caldwell and Bob Payne at guards. Other top players include Al Athanasopoulus, Les Brilliant, Bill Kahn, Maurice Griffin, Bob Migee, Marty Schneider, and Don Payne.

Hillsman's boys have won seven wins in seven engagements. The victims were Armstrong JC, California Frosh, Santa Rosa College, California Blues, El Camino JC, Marin, and Menlo.

**DIS AN' DAT**

The purpose of last semester's Vagabond King was realized this week. All proceeds of the light opera went to the building of a playground in Hurley Village. Hurley Village is where war veterans, along with their wives and children make their homes in uncomfortable Quonset huts. Prior to the playground, the youngsters had no recreation outlet whatsoever. Now the small tots are playing in a safe place. Hats off to the people who made the Vagabond King a success.

A new class, Child Development, will be offered in the college's program next semester.

Scheduled for tonight is a dance sponsored by Tri Epsilon Fraternity.

The Block SF announced that its semi-annual banquet for new members will be held next Wednesday.

## Veterans Advised To Get Certificates Now

Although it may be months or even years before they may be in a position to take advantage of State educational assistance or low-cost State farm or home financing, veterans in San Mateo county are advised by Floyd D. Granger, veterans service officer, ot take a "stitch in time" by obtaining their State Certificate of Eligibility now.

Granger cited recent California Department of Veterans Affairs statistics showing that nearly six times as many eligible veterans have obtained these certificates as have actually made use of them.

The Certificate of Eligibility, Granger explained, is the first step in qualifying for both the California Veterans Educational Institute or the State Farm and Home Purchase plan. Veterans who obtain these certificates, thereby establishing their status as having been born in or entered military service from California, are in a position to save valuable time when they do apply for these State benefits.

In addition, Granger said, should a veteran die after establishing eligibility and before receiving State financing of his home or farm, his widow may be eligible for this advantageous program.

Applications for Certificates of Eligibility (Form DVA-1) are available at the Veterans Service Office, at the Courthouse, Redwood City.

## Browning Society Will Offer Prize For Poetry

The Browning Society of San Francisco has announced its annual poetry contest for which residents in the nine Bay counties, including San Mateo county, are eligible to participate.

The Society offers $100 for the best poem in dramatic monologue form, submitted before midnight, March 1, at its headquarters at 126 Post street, San Francisco. Judges are Dr. George Frank Sensabaugh, professor of English at Stanford University; Dr. Sarah Wingate Taylor, Dominican College, San Rafael, and Dr. Willard Smith of Mills College. Details are available at the Society's San Francisco address, officers said.

The Browning Society, one of the oldest poetry groups in America, was founded just after the turn of the century by Mrs. B. F. Norris, mother of Frank and Charles Norris, and numbers some of the Coast's best-known writers, including Kathleen Norris, in its membership.

# MAGAZINE TELLS APPAREL STORY

The current issue of "California, Magazine of the Pacific," official publication of the California State Chamber of Commerce, carries an article dealing with the growth and development of San Francisco's important $161,000,000-a-year apparel industry. Thomas A. Brooks, chief administrative officers of the City and County of San Francisco and chairman of the municipal regional service committee, is the author.

San Francisco, for ninety-eight years the home of such well-known apparel firms as Levi Strauss & Co., Gantner of California, M. R. Fleishman Co. and Crown Manufacturing Co., has forged into a leading position in the nation's apparel industry. San Francisco designers are acknowledged leaders in the design of typically California wearing apparel for men, boys, women and infants.

**City Within A City**

**The famous Apparel City, located in the Potrero section of San Francisco, is a model of co-operation "in an industry that is highly competitive," according to the article. In addition to 21 manufacturing firms now located there, two thread companies, several fabric firms, a number of manufacturers' representatives and several service organizations are tenants of this unique "city within a city."**

Under sponsorship of the apparel industry's promotion organization — the Manufacturers and Wholesalers Association — San Francisco styled and manufactured apparel has been shown in Paris, in Honolulu and in New York City in settings especially designed to set off the attractiveness of San Francisco garments, now sold throughout the world.

Market weeks, sponsored by the Association, and "press previews" of fashions are held each season in the city. Fashion editors from all over the nation are invited. These are climaxed with a "Fashion Oscar" award dinner and fashion show, when, according to the article, Oscars are presented to members of the press, the industry and civic officials who have "contributed most to the local apparel industry during the past year."

Blue and gold are the colors generally used with the State Seal by the Secretary of State, though no official colors have been legally adopted for California.

# ALONG EL CAMINO REAL

By Ray J. Hewitt

One hundred and seventy - two years ago, on January 12, the 8th Mission in the chain which would ultimately reach a total of 21, was founded near the present city of San Jose. Named after the good Saint Claire of Assisi, Mission Santa Clara was first located on the Guadalupe River near the present village of Alviso, at a place the Indians called Socoisuka.

Father Serra had long been desirous of establishing Mission Santa Clara but had been blocked by altercations with Governor Neve and Captain Rivera, until in September 1776 when word from Viceroy Bucareli of Mexico indicated that he believed the Mission already established. Thus, chastened Governor Neve immediately ordered plans rushed for the founding of the Mission and Father Pena formally claimed the site and dedicated the Mission on January 12, 1777.

Flood waters so damaged Mission Santa Clara in 1779 that it was rebuilt on a site near the present Southern Pacific depot in Santa Clara. After the earthquake of 1818, little was left of the buildings, so another site was selected, the one on which the present reconstructed chapel stands at the entrance to the campus of the University of Santa Clara in the city of Santa Clara. Here the traveler may see the remains of the old adobe walls and the cloistered porch which were built at that time, and in the chapel itself, original paintings and religious objects of the first Mission are found.

**It was at Mission Santa Clara that Father Serra made his last retreat and general confession to his great friend Fr. Palou, following which he returned to Mission San Carlos where he passed away shortly after.**

Being the most eastward of the Missions at that time, and the most accessible to the Indians of the Tulares, Mission Santa Clara was constantly beset by these savages who developed such a taste for beef that they had the temerity to raid even the Mission corrals. Great numbers of cattle were lost in this fashion, until Capt. Moraga and a force of soldiers captured and punished a number of them. Later the establishment of Mission San Jose de Guadalupe set up a barrier to the east and Santa Clara was no longer bothered.

**Tales of the physical prowess of the huge and athletic padre, Father Viader, add an interesting sidelight to Mission life. When Fr. Viader was beset by a burly Indian known as Marcelo and two others, he bested all three in a rough and tumble fight and then forgave them. Marcelo became one of Fr. Viader's most devoted followers.**

After secularization and the restoration by the United States, Mission Santa Clara became a parish church and on March 19, 1851, Santa Clara College was established on this site. From this grew the present great University of Santa Clara under the guidance of the Jesuits, whose present mentor is Fr. Gianera, president of the university.

Travelers along El Camino Real will find a visit to Mission Santa Clara and the University one of the most interesting highlights of their journey. The original redwood cross and the walls of the original Mission are especially interesting and the campus of the University is one of the loveliest to be found in the west.

## U.S. Civil Service Patternmakers Needed

Applications are being accepted until January 24 by the Board of U.S. Civil Service Examiners, Twelfth Naval District, Naval Air Station, Alameda, for civil service examinations to fill the position of patternmaker, $2.02 to $2.14 per hour.

Vacancies exist at various naval agencies in the bay area, extending as far south as Moffett Field.

Complete information may be obtained at Board offices, 630 Sansome street, San Francisco.

# Seek Repeal Of 'Yellow Margarine' Law In California

Repeal of California's 52-year-old law against the sale of yellow margarine is proposed in one of the first bills introduced in the 1949 Legislature.

The bill was introduced by Assemblyman Thomas A. Maloney of San Francisco, at the request of the statewide California Consumers' Committee for Yellow Margarine.

In explaining the purpose of the measure, Assemblyman Maloney said:

"California is one of the relatively few states that still prohibit the sale of yellow margarine, and since the people of the State seem to be overwhelmingly in favor of repealing this obsolete restriction, I am pleased to have the privilege of presenting the matter to the new Legislature.

"Repeal of the ban on yellow margarine will be a genuine service to the housewives of California, who now have to color margarine in their own kitchens. This is not only an unnecessary waste of time but a waste of the food itself, because in the coloring process a portion is always left in the mixing bowl.

"When California's prohibition of yellow margarine was enacted, and for many years thereafter, conditions were quite different from what they are today. Years ago, margarine was made mostly out of imported oils. Today it is made entirely from American farm products. In fact, the margarine made in this State is composed very largely of California ingredients—California-produced cottonseed oil and California-produced milk.

"In addition, the California butter industry, which our margarine restrictions were designed to protect, today produces only a third as much butter as we consume, so even from the most selfish butterman's point of view, there is no longer any excuse to prohibit or restrain a competitive product.

"Everybody concedes today that margarine is a wholesome, nutritious food with as much calory and vitamin content as butter. Margarine is processed in our State from ingredients produced in our State. Margarine is an important economy food, now used by the vast majority of our families. It is, and will continue to be, properly labeled and packaged, and subject to all Federal and State pure food laws.

"Therefore it is only fair and reasonable for California to do what many other states have done in permitting the sale of precolored margarine to the consumers who want it. No fewer than five states have acted in the past year to permit sale of yellow margarine. That alone shows that conditions have changed, and public opinion has changed. California should not hesitate further before getting on the nationwide bandwagon."

## Newest Flying Target Joins U. S. Air Force

The OQ-19A, newest, biggest and fastest of the USAF's radio-controlled flying targets, perches on its 60-foot catapult prior to take off. The monoplane, powered by a four-cylinder motor and with a 12-foot wing span, can fly up to 220 miles an hour. At a 220-yard range it appears as a normal-size fighter plane flying at 500 yards distance. It is landed safely by a 32-foot cargo-type parachute.

## Colma Is Healthiest Spot On Peninsula

Colma is the healthiest spot on the peninsula.

This was evidenced in a report by Dr. Harold D. Chope, county health director, which showed that Colma and Lomita Park had the fewest cases of disease per capita among San Mateo county communities.

## Holy Name Society Recollection Sunday

The Holy Name Society of Our Lady of Perpetual Help Church will hold its Second Annual Day of Recollection Sunday, January 9. Father Alvin J. Wagner, of the Archdiocesean Missionaries, will conduct the services.

The day will begin with mass at 8 a.m. and will conclude with benediction of the Blessed Sacrament at 3:30 p.m. Breakfast and luncheon will be served by the Mother's Club of the parish.

All men of the parish and their friends are invited to attend. Father William Stewart is in charge of the committee for the day which is composed of Holy Name President Richard Ennis, Bill Whalen, Fred Klinger, Syd Watt, George Lombard, Bob Lucier, Bill Carrington and Roy Thompson.

## Grace Presbyterian Congregational Meet

The annual congregational business meeting which will be held at 7:30 p.m. January 12, will open the new year for the congregation of the Grace Presbyterian church.

The Women's Council, with Mrs. Walter Kesler as president, has already opened the new season with Circle No. 1 meeting at the home of Mrs. Nettie Specht, January 5, and Circle No. 2 meeting today, Thursday, at the home of Mrs. Florence Beatie at Walnut Creek.

The new curriculum materials will be handed out for the Sunday school at the classes January 9.

## Back to Work We Go

Mrs. William Harberts, superintendent, is looking for a full attendance of pupils and parents.

Use of either of the two types of 1949 potential automobile registration cards shown above in slightly reduced size will make renewal of a motor vehicle registration as simple as paying a water bill. On the left is a machine-prepared potential, issued in duplicate, bearing a typical example of new lower fees to be collected during the renewal period, January 3 through February 4, 1949. At the right is a manually typed potential stapled to any 1948 white registration card issued subsequent to November 1, 1948. Most motorists will receive the machine-prepared variety. The Department of Motor Vehicles urges careful preservation of potentials and their presentation IN PERSON at any of the Department's branch offices during the renewal period. Upon payment of fees, the top copy will be validated and returned to the registered owner along with his 1949 tabs. Validation converts the potential into the 1949 white registration card. The same procedure is followed in the case of the manually-prepared version. In neither case will anything be mailed later to the applicant. Renewal by mail is being discouraged by the Department because more time is required. Potential registration cards in various shades of paper, denoting trucks, trailers and motorcycles also are issued. Renewal procedure for them is identical with that for automobiles.

## Let's See

A new-fangled transparent plastic mail box that lets you see in without the trouble of opening it should be a popular item along the old R. F. D. routes. Jane McIntosh of Tucson, Ariz., apparently finds the new box to her liking. And as for Jane—first class, we'd say.

## Georgette Calegari

Last rites were held this morning for Georgette Marie Calegari, only daughter of Mr. and Mrs. George J. Calegari, 320 Hanover street, San Francisco. The 12-year-old girl passed away January 3.

Services were conducted by Valenti, Marini, Perata and Co. with a solemn requiem mass for the repose of her soul at Our Lady of Perpetual Help Church. Interment was at Holy Cross Cemetery. The rosary was recited Wednesday evening.

Besides her parents survivors included grandparents, John and Vittoria Vaccarezza, and Mary Calegari.

## NEWS FROM COLMA P.T.A.

The executive board of the Colma P.T.A. was entertained at a luncheon by Mrs. Irene Chessman Thursday, December 30. A business meeting followed the luncheon. Members present were Hilda Dennis, Margaret Damon, Lillian Bertucci, Vittoria Gregori, Virginia Lagomarsino, Gertrude Stanghellini, Tina Hollingsworth, and Dorothea Stookey.

* * *

The Colma P.T.A. held its regular monthly meeting Tuesday, January 4, at the Colma Community Center. Plans were made for the Founders' Day meeting in February, and a Life Member was chosen. The Life Membership Award will be given to the chosen member at the February meeting.

Members adjourned to the home of Vittoria Gregori, 157 Station avenue, for refreshments.

Those present were Hilda Dennis, president, Irene Chessman, Margaret Damon, Constance Marks, Estelle Waterman, Vittoria Gregori, Gertrude Stanghellini, Jeannette Cowden, Dorotha Stookey, M. Pauline Brown, Leta M. Dennis, and Marie Toole. Mrs. Ruby Phelps from Denver, Colorado, was a visitor.

## Church Women Form Missionary Council

A Women's Missionary Council has been organized by women of the Assembly of God Church who now hold meetings at 10 a.m. each Wednesday at the church hall, 6276 Mission street.

Officers of the group are Mrs. G. E. Cole, president; Mrs. W. Woodhall, vice president; Mrs. R. Danaci, secretary, and Mrs. B. Scott, treasurer.

The group is doing both home and foreign missionary work. They recently finished one quilt and have started work on a second. The club makes new garments and mends old ones for relief of more unfortunate persons.

Members of the Pershing P.T.A. are making plans for a telephone whist to be held on January 21. The group also plans to have a teachers luncheon with a Valentine motif sometime in February.

## Mrs. A. Gotelli

Mrs. Adelaide Gotelli, who had lived her entire life in Colma, succumbed to a heart attack suddenly in her home at Dunks and Washington streets Monday. She was 72 years of age.

A requiem high mass was held at Holy Angel's church in Colma this morning, Thursday, with entombment at Holy Cross Mausoleum.

Surviving are three daughters, Mrs. Catherine Cremolini, Lena Gotelli and Mrs. Mamie Lloyd, a sister, Mrs. Catherine Pollastine, and Alfred Cremoline, a grandson.

**LEBEC NAMED**

Lebec, Kern county, is reported to have been named for Peter Lebec, a Hudson's Bay trapper who was killed in 1837 near the Fort by a grizzly bear he had wounded. A tablet marks the tree under which he is buried in the parade ground.

The U.S. Army Air Forces and the Navy use the knot as the standard aeronautical unit of speed and the nautical mile as the corresponding unit of distance.

To "clamp down" is a term meaning to sprinkle and swab down a deck.

## High School Grads May Study Navy Electronics

A career in electronics is assured for high school graduates who can pass the Navy's standard examination for its technical school of electronics, according to the Navy recruiting station at the Redwood City courthouse.

Pointing out that the peace-time Navy enters a new world of diminished distances and extended vision due to scientific developments which are dominated by electronics, the recruiting station mentioned radar, loran and television as being controlled by electronics technicians.

Interested young men were advised to call at the county courthouse or phone EMerson 6-1185.

The value of clothing issued to new enlistees in the Navy during 1946 was $143.20 per man.

## Red Cross Driver

E. Roland Harriman, New York banker and railroad executive, will head the Red Cross' 1949 campaign which will be held next March. Goal for the fund-raising drive is $60,000,000.

**FLASHING SIGNALS**

Failure to observe flashing red or yellow signals is a hazardous practice which is classified as a misdemeanor under the Vehicle Code, the California State Automobile Association points out. Drivers are required to come to a full stop at a red flashing signal, even though there is no stop sign at that point. Yellow flashing signals permit drivers to proceed, but only with caution.

**KEEP WINDOW OPEN**

In rainy or cold weather, many motorists place comfort ahead of safety by driving with closed windows, thereby incurring double risk. Not only is the closed-window driver unable to give arm signals essential to safety, in compliance with the law, but he exposes himself and his passengers to the danger of carbon monoxide poisoning. For safety's sake, keep the left-hand window open when driving.

**TEEN-AGE DRIVERS**

Teen-age boys and girls are inclined to be a little on the reckless side when they climb behind the wheel of a car, warns the National Automobile Club. Parents should strive continually to educate their teen-age sons and daughters in the ways of safe and responsible driving, if they want them to stay out of accidents, or stay alive.

# Viking Five Takes San Quentin 65-38

Besting the San Quentin five by a 65-38 score December 28, the Viking basketball team took their eighth consecutive win in this year's series.

Harry Dederman and Jack Dederman, both of Daly City, chalked up 12 points each while John Rerecich, another Daly City lad, clicked for 7.

The unbeaten Vikings, coached by Bob Seiler of the municipal recreation department, will enter the A division of the San Francisco Recreation Tournament.

**BATTERY WATER**

Excessive consumption of water by an automobile battery is usually the result of an overcharged battery, according to the California State Automobile Association. Overcharging causes the battery to overheat.

## INDOOR AUTO RACING OAKLAND SATURDAY

Vic Gotelli of Colma will represent Daly City Saturday night at the Oakland Exposition Building when Indoor Auto Racing makes its debut on the west coast.

Two weekly shows, on Saturday and Sunday nights, will be staged on six week ends from January 8, 9 through February 12 and 13. Time trials start at 7 p.m., with the trophy dash set for 8:30 p.m.

This will mark the first time that indoor auto races have been held west of Chicago. Over 30 drivers will vie for the California Winter Indoor Championship.

Three-time champion, Fred Agabashian will begin his fight for the 1949 title against Johnny Parsons, midwest champion, Johnny Boyd, Johnny Soares, Fred Friday, Ed Normi, Lyle Johnston and a host of others.

Water is put to six major uses—domestic, agricultural, industrial, navigation, recreation, and waste disposal.

Out of a total of 58,330,000 employed persons in the United States, 5,900,000 are on public payrolls.

## Broadmoor Legion Post Gives Away Xmas Socks

Five hundred Christmas stockings were given away to children at the Christmas party sponsored December 19 by Broadmoor Post 834, American Legion.

The two hundred stockings that were left over were given to the Shriners hospital for crippled children.

The post is starting a bowling league in which the South City and Brisbane posts will also participate. Their games will be played at the Steel Bowl in South City.

## $2,416 December Fine Total In City Court

A total of $2,696.50 in fines was collected in municipal court during the month of December, according to City Judge Wm. J. Sweeney.

Traffic fines accounted for $2,416.50, with criminal offenses amounting to $280, Sweeney said.

Four BIG WEEKS of celebration in your honor, Mrs. Homemaker
Our hats are off to you, Mrs. Homemaker, for the way you handle the big and difficult job of managing a household. It takes a lot of skill and a keen sense of values to keep a family well-fed, happy and healthy these days . . . to fit all of the needs of a normal family into the limits of the family budget. But it's a job which you take in your stride, demanding and getting top value in everything you buy. It is this demand that keeps us on our toes. You get top consideration in all our plans. Our improved methods of food distribution were developed to assure you of full value in every purchase.
So we salute you—the person we *must* please if our business is to remain successful. This four-week SALUTE TO HOMEMAKERS is in your honor. It brings values in every section of our stores. It's in your honor, so be sure to take advantage of the opportunities which it offers for special savings.

OCEAN FISH — No closed season on bluefish, yellowfin tuna, skipjack, yellowtail, marlin, broadbill swordfish, black sea bass, bonito, rock bass, kelp bass, California halibut, California corbina, yellowfin, spotfin croaker. Bag limit: 15 in the aggregate. 1949 angling license required.

STEELHEAD TROUT AND SALMON Ends January 31 and February 28 in specified streams. See abstract of angling regulations.

CLAMS — Ends April 30 in Santa Cruz and Humboldt Bay areas. No closed season elsewhere. Bag limits: 10 Pismo clams; 30 razor clams; 10 big neck clams; 15 Washington clams in Districts 2 and 10; 10 Washington clams in Marin county; no bag limit on jack knife clams. 1949 angling license required.

One of California's best waterfowl hunting seasons of recent years comes to an end one hour before sunset, Saturday, January 8, reports the Division of Fish and Game.

An all-time high number of California scattergunners, estimated at more than 175,000, have found their chances of bagging daily limits of five ducks, five geese, 15 coots, and 25 mergansers enhanced by generally heavy rains throughout the State.

Wardens of the Division of Fish and Game, lending a hand to U. S. Fish and Wildlife agents, are expected to chalk up a record total of arrests for violation of the Federal law requiring plugged guns. No more than three shells may be contained in shotguns used for waterfowl hunting.

An average of eight fish each was the payoff for 5,652 anglers who braved November seas to fish from party boats off the California coast.

Records submitted by boat operators to the Division of Fish and Game show the following catches during the month: 16,620 kelp bass; 14,440 rock fish; 4,260 sculpin; 1,780 Pacific mackerel; 1,620 sole, sand dabs, and flounders; 1,110 kingfish; 930 whitefish; 930 barracuda; 510 ling cod; 480 sheepshead; 2,410 other species.

Party boats operated from San Francisco, Half Moon Bay, Santa Cruz, Monterey, Morro Bay, Avila, Santa Barbara, Port Hueneme, Malibou, Santa Monica, Los Angeles Harbor, Newport, and San Diego.

The November catch was greater than that of 1947 when 3,975 fishermen landed an average of six fish each trip during the 30-day period.

## Adult Education Program Starts At San Mateo Jaysee

San Mateo Junior College has opened the winter quarter of the adult center this week and is offering over one hunderd sections for men and women of the county.

These evening groups work in shops, take foreign languages, make clothing, study office work, paint, work in ceramics, learn blue printing, public speaking, prepare for American citizenship, enjoy physical recreation, or sign for many other numerous sections. Full information can be gained at the adult center office on the Baldwin campus in San Mateo.

In conjunction with the re-opening of the college, following the holidays, Community Hall will gain start its Monday evening series of illustrated lectures. The first of two illustrated lectures on England and Scotland will be given Monday, January 10, with Catherine B. Hargreaves as speaker. She spent seventeen months overseas and took numerous pictures of her travels about England and Scotland. The program opens at 7:30 in the college auditorium and is free to the public. Community Hall will offer a program every Monday evening, except the first Monday of each month when the Peninsula Forum will have the college auditorium.

This week end the junior college basketball team is playing in the big all-state tournament at Modesto junior college. Last year the Mateans won the mythical state title by winning this tourney.

**FOR PASSING ONLY**

Three-lane highways used a through routes can be extremel dangerous unless extra care is ex ercised by drivers. Use of the mic dle lane is restricted by law t overtaking and passing another ve hicle, but only when the roadwa ahead is clearly visible and th center lane is clear of traffic for safe distance. The center lan should also be used when prepar ing for a left turn.

# Income Tax Rules For Farmers, Landlords, Others Explained Here

New income tax rules and regulations governing the preparation and filing of farmers' income tax returns were outlined today by Collector of Internal Revenue James G. Smyth of the First California District.

The deadline for farmers to render their first accounting of 1948 earnings to Uncle Sam is January 15. On this date an Estimated Declaration must be filed by farmers. The tax shown to be due on the Declaration must be within two-thirds of their actual tax liability.

**As classified by the Internal Revenue, all persons who receive two-thirds or more of their income from the operation of a farm or ranch, either as owner or tenant, as well as landlords who receive two-thirds of their income from crop-share payments, have the privilege of preparing and filing income tax returns as farmers.**

All others, required to file Declarations, must follow a different procedure. They must file an Estimated Declaration by March 15 of the taxable year. The declaration filed on this date, must be within 80 per cent of the actual tax liability by January 15, if it is not, an Amended Declaration or a final return must be filed. If the Declaration filed last March 15 is within 80 per cent of their actual tax, a final payment must be made.

The one-third leeway on the estimated declaration is accorded farmers because of the seasonal nature of their income, uncertain weather conditions, market prices and other factors which may affect his income.

Cardinal changes made by Congress in the Revenue Act of 1948 include the raising of personal exemption and credit for dependents from $500 to $600. Although the allowance for a dependent has been increased to $600, no one may be claimed as a dependent who received $500 or more of taxable income in 1948.

**Persons who were 65 years of age by January 1 may claim a double exemption, totaling $1,200, on their return. This same rule applies to blind persons.**

Only one credit of $600 may be taken for a dependent even though the dependent is over 65 years of age, or blind.

Under the new tax laws married couples are no longer required to file separate returns in order to take advantage of community property laws. They may file a joint return and, by computing the tax separately, obtain the same results as though separate returns were filed. This saves taxpayers the work and bother of preparing two returns.

**A greater overall reduction of tax was also permitted in the new laws. This reduction amounts to 17% on the first $400 of tax; 12% on the amount of tax in excess of $400, up to $100,000, and 9.75% on the balance.**

**KEY TO SAFETY**

In musical terms, the key to pedestrian safety is found in C sharp or B flat, observes the California State Automobile Association.

# Veterans Weekly News Column

Five "helpful hints" for veterans who wish to reinstate lapsed National Service Life Insurance term policies were offered today by Insurance Service of Veterans Administration Branch 12 area (California, Arizona, Nevada and Hawaii).

They are:

1. If possible, the policy should be reinstated before it has been lapsed longer than three months. In most cases, early reinstatements make qualifying physical examinations unnecessary.

2. All questions on the reinstatement application should be answered. Failure to do so means a delay in regaining insurance protection.

3. The application must be dated. If not dated, it is not valid.

4. The application must be mailed to VA within five days. If the postmark is later than five days of the date on the application, a new form will be required.

5. Two monthly payments required for reinstatement must accompany the application. Without premium payments, VA cannot reinstate the insurance.

Question: When is a Certificate of Eligibility from VA for loan guarantee purposes necessary?

Answer: It is necessary when the veteran is unable to furnish the lender with his original discharge papers, or when his period of service was less than 90 days, or when his service was in the armed forces of a government allied with the United States in World War II.

Question: On what priority basis is a World War I veteran admitted to a Veterans Administration hospital?

Answer: Emergency cases have first priority; those suffering from injuries incurred in or aggravated by wartime service are next on the priority list, and those who swear they are unable to pay hospital charges for nonservice-connected disabilities or illnesses are third. The latter must wait until a bed is available.

Some gold nuggets found in California in the early days weighed more than 100 pounds of solid gold.
